### What are the Night Surfer and CAP Saver bundle options?

The Night Surfer bundle offers you the option to enjoy additional data usage between the hours of 12am – 6am. We give you a 5:1 ratio on your bandwidth usage during these periods. I.e. Should you use 50Mb during this period, only 10Mb will taken off you data bundle. The Night Surfer bundle will cost you an additional 10% of your chosen data package. i.e. Silver Extreme Package costs R499pm. With the Night Surfer bundle added it will cost R499 + R49.90 = R548.90pm

The CAP Saver bundle offers you the option to rollover your monthly remaining data bundle CAP to the next month. This can only be rolled over for a maximum of 2 months. The CAP Saver bundle will cost you an additional 10% of your chosen data package. i.e. Silver Extreme Package costs R499pm. With the CAP Saver bundle added it will cost R499 + R49.90 = R548.90pm.
